

# HIP JUNE NEWSLETTER

**Team Challenge** The team challenge was a real shoot out to the very end with only six points separating the top 8 teams. The **Hot Shot Hunters** from **Coconut Palm** were out of the gate quite quickly putting up an impressive 47 on the very first post. Would this be enough? Lurking just behind was **Heavenly Acres' Heavenly Horse Angels** with 39, but they still had one rider left. It would stay this way for all of day one. Day 2 would see **Ascot's Flying First Class** off to a quick start grabbing 32 points in Novice with one rider left. And this is the way it would stay throughout the day until **Conner Crotty** put it away for the **Angels** in the crossrail division to win the title by one point. High Point team members for the weekend were Katie Quesada with 23 and Karen Tongen scoring 22. The panel has chosen Certifiable Poster Monkey as the best name. Congratulations to all who participated.

**Finals** It's hard to believe but another circuit year is coming to a close. This must mean it's time for the Finals and Challenge Show! June 6 and 7 we will be holding those classes for the 7<sup>th</sup> time. Saturdays show will be our last regular show day and Sunday we will be holding 17 challenge classes and 21 finals classes in all divisions in the covered arena. Winners of the challenge classes will be presented with very special perpetual trophies which you get to keep for one year and winners of the finals classes will win trophies made especially for our show. This is a very special event and everyone should plan to attend. If you normally show Saturday only, please make plans to show on Sunday this one time. Riders may enter in challenge and finals classes which they are eligible for in addition to one division of a higher level. Therefore, if you compete in short stirrup, you may also compete in novice. Points will apply as usual.

**New Challenge** With the generosity of **Ginger and Mary Ann Tatum** we present the "**Riddle Me This**" **Perfect Match Challenge!** This will not be a separate class but instead awarded by the judges to the horse/rider combination deemed the "perfect match" on challenge day. Judging criteria includes, but not limited to, horse and rider suitability, communication between horse and rider, and overall performance as a team in each class entered throughout the day. Any horse/rider combination is eligible; however, only adult amateurs or child riders may compete. One entry per horse and rider combination. Each rider will be issued an arm band to wear while competing. A rider may enter separately on multiple horses/ponies, or a horse/pony may be entered separately with multiple riders. Each combination to be judged individually. Awards: 1<sup>st</sup>-10<sup>th</sup> with perpetual trophy for 1<sup>st</sup>. Entry fee: \$5.00 per horse/rider combination.

**Jumpers** We will hold 2 classes at all levels including a 2.2b and gambler's choice in the arena Saturday after the hunters are finished. These points will not count for Jump the Moon and classes will not be deemed as finals. The Jumper finals will be held December 12-13 at Plantation Equestrian Center.

**Speaking of Trophies** We were quite disappointed when we only received 3 of the 17 **perpetual trophies** at the May show. The purpose of this request is that we can clean the trophies and or make any repairs and have them displayed when everyone arrives at the show on **Friday!!** If you, your child, students, or previous students have any of these trophies, it is your responsibility that they are cleaned, repaired, and in their proper place on **Friday, June 5**. Please email [heritagehorsesho@aol.com](mailto:heritagehorsesho@aol.com) or call **954.347.1799**.

**JUMP THE MOON** The next show is May 30-31 at Plantation Equestrian Center. Entry forms and class list are available on the website.
